SUBJECT: Hardware Option Under the one-time Local Capital Improvement Grant

Section 19 of Public Act No. 99-01 created a one-time grant program comparable to the Local Capital Improvement Program (LOCIP) directed to cities and towns. The details of the legislation can be found in Section 19 of Public Act No. 99-01.

Along with other capital improvement uses, the Public Act allows for the leasing and acquisitions of computers, computer software and licensing fees for public schools. The grant is being administered by the state Office of Policy and Management. Enclosed is a copy of the memorandum from OPM to local chief elected officials, city and town managers announcing the details of the grant. A copy of the application form and a list of entitlement amounts by district is also enclosed to provide you with the necessary information to work with your local officials.

I encourage you to seek some of these funds to support the educational technology work you are doing in your districts. The determination of the specific use of the funds is completely a local decision.
